

Preparing for Your Surgery

Day Before Surgery Notes

One of our PACE Center nurses will call you the day before surgery, or on a Friday for Monday surgery. Please use this document to help take notes during the phone call.

The PACE nurse will:

- Indicate when to arrive in the hospital: _____ (building)
- Indicate when to come _____ : _____ AM PM
- Discuss your parking options
- Answer any questions you may have

The PACE nurse may also discuss with you:

- When to STOP eating ... MIDNIGHT
- When to STOP drinking _____ : _____ AM PM
- Medications you should continue or temporarily stop
